

*The Toy Industry Foundation thanks the generous toy companies  
that have donated to Toys Across America*

*For the first time in its history, the Toy Industry Foundation (TIF), its signature program The Toy Bank, Kids in Distressed Situations (K.I.D.S), and a nationwide network of children's charities will work together to give the empowering gift of play to children in need in every state ... on a single day!*

*A special THANK YOU goes out to the generous toy companies that provided more than half a million toys, games and other great playthings to make Toys Across America possible.*
